

# EDENDERRY NURSERY SCHOOL

March 2024

 hello  
spring!

love to make use of those skills!

Soon we will be starting to prepare our outdoor play area for the better weather - if you have a particular skill or interest in gardening, please speak to me (Mrs. Bovis) I'd

## WORLD BOOK DAY.

We would encourage you to discuss with your child their favourite nursery rhyme - perhaps they will perform it for us on the day in their costume. This is part of their assessment in nursery for PSE and Language Development. If possible please try to stay away from movie characters. A nursery rhyme character or traditional book character is perfect!

## FOREST SCHOOL.

We have been enjoying Forest School within our own school grounds this year, making use of the large field opposite nursery and also using some of the lovely areas within the primary school next door. When you see FOREST SCHOOL on the diary - please ensure that your child has a coat with them.

## PARENT-TEACHER CONSULTATIONS.

At this stage of the year we do not arrange a meeting with all parents. Instead, we may request to see you if we feel there is something that would be beneficial to discuss with you about your child's development. If however, you feel that you would like to meet with your child's teacher, please complete the form that will come home in the Friday folder, and return to nursery by Monday 11th March.

## EASTER EGG HUNT & EASTER BONNET PARADE.

On the 22nd the Easter Bunny is planning to pay us a visit at Nursery. We will enjoy hunting for eggs around the grounds of Edenderry.

School will finish early on this day meaning that there will be no school meals. Pupils are allowed to wear their own clothes on this day. ( Spring colours if possible)

We also hope to have an Easter Bonnet Parade on this day too. We would ask that all children come to nursery wearing their Easter Bonnet that they have made at home. We look forward to seeing a lovely, bright, cheerful parade of bonnets!

## FOUND AND FREE SUPPLIES!

Our supplies in our Art and Craft corner are running a little low. Can you help us out? Do you have any egg boxes / biscuit boxes / tinfoil boxes / just boxes!! We also would love tubes / kitchen roll tubes / corks / yoghurt pots / stickers / wrapping paper / instead of taking it to your recycling bin perhaps we could make great use of it in nursery?? Please drop it off with a member of staff.

Don't forget about our special board in Nursery which celebrates the wonderful things that our pupils achieve. If your child has achieved something outside of school we'd love to add it to our board! Just let a member of staff know.

## HEADLICE

Unfortunately headlice can be as common as a cold in nursery and primary school. They are nothing to worry about nor be embarrassed about—if anything it can be reassuring to know that they favour a clean head of hair! Please remember to check you child's hair frequently for any little eggs or live lice and treat immediately. And, also remember to let us know so that we can remind parents to check their child's hair. All reports of headlice will of course be completely confidential.

Could we ask for a donation of a TOILET ROLL from each child please?? There will be a tub in the entrance hall to collect any donations! Thank you so much.
